Coffee Morning – for Parents and Carers of pupils with Special Educational Needs

Friday 29th April – 9am to 10:30am

Dear Parents/Carers,

We will be running our first coffee morning for Parents and Carers of pupils with SEN on Friday 29th April. Our aim is to provide a welcoming and supportive atmosphere for parents and carers to meet and chat.

The coffee morning is open to all, whether your child has any diagnosed SEN, or not. As the acting SENCo for the school, I will be there and available to talk to, as will Sam Lindars (our Family Support Worker). However, this is also an informal chance to meet with other parents and carers, who may have similar experiences, and an informal chance to make new links or catch up with people you already know.

Parenting can be both incredibly rewarding and challenging for anybody, and we are keen to build a network of people that provide both support for each other and to celebrate those little successes with.

If this first one proves successful, then we hope to host a regular (half-termly) coffee morning. So if you are not able to attend this one, but would be interested in further dates, then please let me or the school office know.

We look forward to seeing you on the 29th April, if you are free, even just for a brief hot drink and biscuit. (We will provide the refreshments!)

Yours sincerely,

Kate Kellner
Deputy Headteacher and Acting SENCo
